Example Custom Website Value

A multi-page salon website similar in scope to the Mariette Bondey project can reasonably be quoted around **\$2,000-\$2,200**, depending on content, integrations, revisions, and custom features.

Service	Estimated Value
Website planning and design	\$250
HTML/CSS/JavaScript development	\$700
Multiple page development	\$300
Mobile responsiveness	\$200
Image/gallery styling	\$150
Booking/contact form setup	\$200
Domain and deployment setup	\$150
Testing and final revisions	\$150
Estimated project total	\$2,100

Optional Add-Ons

Monthly maintenance: \$50-\$100/month **Additional page:** \$100-\$200 **Additional revision:** quoted as needed
Content updates: quoted by scope **Advanced integrations:** custom quote

Client costs: Domain registration, hosting upgrades, premium booking tools, paid form services, stock photography, and other third-party subscriptions are billed separately unless included in the proposal.

Pricing can be adjusted based on project complexity, number of pages, content readiness, integrations, timeline, and revision requirements.
